

**ASSEMBLY BILL**

**No. 327**

**Introduced by Assembly Member Davis**

An act to amend Section 25210.7 of the Health and Safety Code, relating to hazardous waste.

LEGISLATIVE COUNSEL'S DIGEST

AB 327, as introduced, Davis. Hazardous waste: perchlorate.

Existing law, administered by the Department of Toxic Substances Control, prohibits the management of hazardous waste and a violation of the hazardous waste control law is a crime. The Perchlorate Contamination Prevention Act prohibits a person from managing perchlorate materials, except in compliance with the best management practices specified in the regulations adopted by the department.

This bill would make nonsubstantive changes and delete obsolete provisions in that act.
